

ACE ANIMATION SPECIAL - CALL FOR APPLICATIONS

ACE Producers is pleased to announce the call for applications for the fourth ACE Animation Special. The workshop, which will be held in Dingle (Ireland) between 21 and 26 March 2023, is organised in thanks to [Creative Europe Media](#), [NL Film Fund](#), in close collaboration with [Screen Ireland](#) and [Animation Ireland](#).

The workshop is aimed at experienced producers who want to diversify their activities to include, and/or deepen their knowledge of developing and producing long form/feature film animation production for an international audience (cinema, broadcast or streaming).

16 to 18 producers will be selected for the workshop, preferably with a long form/feature length animation project at concept stage. Focusing primarily on the creative and financial aspects of feature and longform animation production, the ACE Animation Special will offer sessions on animatic story development, international production workflows, the creative dynamics of animation production, financing strategies and international distribution. The workshop will also include one or more sessions on physical line production as well as case studies on completed animation projects. Group sessions, plenary sessions and one to one meetings will together build a workshop where producers learn from each other's experiences and those of key industry guests.
