

YOUNG NORDIC PRODUCERS CLUB IN CANNES, 2020

For the 9th time we proudly present YOUNG NORDIC PRODUCERS CLUB in Cannes

Extend your network, learn much more about co-production and sharpen your tools.

For four days, we will look into as many aspects of co-producing as possible. We have invited a number of experienced film professionals in producing, distribution, sales, International strategy, marketing and festivals to share their experience with us.

The program is also focusing on sharpening and increasing your network. We will set up a network lunch and network, drinks & mingle with representatives from Nordic and European film institutes, Nordic Film and TV Fund, Nordic Creative Europe Desks, film funds, international production companies, specially invited young producers etc.
