A Case Study - THE MISSION

As part of eQuinoxe Europe's new Creative Producing Series
- **Producing for Screen and Society**, we will hold for the first
time a **Master Class in Lisbon**.

In this Master Class, Lord Puttnam will examine the script
development, production, marketing and distribution of
THE MISSION, which won the Palme d'Or at Cannes, with a
focus on the key lessons for producing today.

The Master Class will be followed by a screening of the film.

With the support of the Creative Europe Media sub-programme of the European Union

In cooperation with the Cinamateca Portuguesa Cinema

eQuinoxe Europe e.V.

eQuinoxe Europe is a non profit organization founded
in 2001 committed to assisting screenwriters and
producers to realize their creative vision, enhancing
the creative and commercial potential of European
film globally, raising the profile and affirming
the vital role of script development in advancing
screenplays to production and establishing stronger
links between Europe's creative talent and the
eQuinoxe Europe international network.

Atticus Education

Founded by Lord Puttnam in 2012, Atticus Education
is a global online education company that offers
a wide range of unique seminars on all aspects of
the screen industries. Each seminar bridges the
gap between practical skills and critical enquiry,
including up-to-the-minute insights into the rapidly
evolving global content industry and hands-on
advice from a seasoned, award-winning film producer
and educator.
